## 2018 – '19 School Year Annual Campaign: Thank You!

Dear Fellow Parents:

As you know, our Annual Campaign kicked-off in early October. So many of you answered the call and completed your donation—thank you very much for your support of our schools! In fact, **we wrapped up this year's Annual Campaign with a per-student record total of over \$80,000!** We are so excited about the impact this will have on our schools. Last week, we presented checks to each school, and your contributions are now being put to work to fund Math Interventionist and Drama positions at Laurel Hill and Pinckney, and technology/chrome books for all students at Cario. This will have an immediate impact on our children! In January, we'll be further updating our website at [www.parkwestedfund.org](http://www.parkwestedfund.org) to reflect the specific amount that each school received along with other key updates--- so be sure to check it out. As has become our custom, we'll also be allocating 10% of this year's total to our endowment fund for long-term campus-wide benefit. It's an incredible time to be a student at our schools!

**Can I still donate?** Absolutely. Although our Annual Campaign has come to a close, we didn't reach our overall monetary goal. As a reminder, the state of South Carolina redistributes our local tax revenue away from our schools because we are considered an affluent area. Our annual campaign is designed to help make up some of the shortfall, but at any time throughout the year your donation goes directly to your child's school for an immediate impact. It's very easy to donate through our website at [www.parkwestedfund.org](http://www.parkwestedfund.org). Through our website, we hope you'll also take a moment to learn more about our purpose and our mission. If your company allows matching gifts, there is also an option to do so directly on our website.

**Thank you, thank you, thank you!** As you know, the Ed Fund is volunteer-led and together with you we have worked hard to leave a legacy for our children. In this Holiday Season of joy and giving, we want you to know how much we appreciate your partnership and support. On behalf of our children, we are very grateful.

Sincerely,

Your Principals, Parent Volunteers, and Children
